

NEW MEXICO DISTRICT 8 LITTLE LEAGUE 2026 INTERLEAGUE PLAYING RULES
LITTLE LEAGUE BASEBALL

Interleague is governed by a committee composed of the League Presidents within NM District 8. These rules apply to both the Spring and Fall seasons. The host league is defined as the league at whose location the game is being played.

1.	The 2026 Official Rulebook, including all Official Regulations, Playing Rules, and Operating Policies, will be followed at all times. Each league must provide at least one rulebook (a digital version is acceptable) to each team, and teams must have access to it at all games. Each team must also possess a signed copy of the 2026 District 8 Interleague Rules.
2.	Each league must provide a current list of manager and coach phone numbers to all leagues with which they participate in interleague play. No exceptions.
3.	The home team will provide the Official Scorekeeper, who must be positioned either in the score booth or in the bleachers near home plate. The official scorekeeper must record all players' first and last names in ink in the scorebook. Managers are responsible for providing a list of players absent for the game, and the scorekeeper will record these names in the official scorebook.
4.	The home team will provide the home plate umpire, and the visiting team will provide the field umpire. The plate umpire will serve as the official timekeeper. Either team may provide a third umpire if available.
5.	Both teams are responsible for cleaning their respective dugouts and policing the bleacher areas on their side of the field.
6.	The home team is responsible for field setup and maintenance. When games are played at a neutral site, both teams share responsibility for field setup and maintenance.
7.	Each team is required to bring its pitching affidavit to every game and present it to the opposing team's manager prior to the start of play. Failure or refusal to provide the pitching affidavit will result in the team being ineligible to participate in the game, and the contest will be declared a forfeit. Additionally, at the discretion of the District staff, the team may be subject to removal from interleague play.
8.	All teams must comply with Rules 4.01 and 4.04 and provide the umpire-in-chief with two copies of their batting order prior to the start of the game. The District has adopted a continuous batting order for this division. All players shall be listed in the continuous batting order and will bat in sequence, regardless of their defensive position. Free defensive substitution is permitted.
